**Re: Recognition of the Active IQ Level 3 Diploma in Physical Activity, Fitness and Exercise Science (QCF), for Inclusion in the 2017 16 -19 Performance Tables as a Technical Level Qualification.**

To whom it may concern,

Chichester College offers a range of HE courses and recognises the following Active IQ qualification as being fit-for-purpose and eligible to be considered for inclusion in the 2017 16 -19 Performance Tables as a Technical Level Qualification, providing progression to Higher Education:

- Active IQ Level 3 Diploma in Physical Activity, Fitness and Exercise Science (QCF), accreditation number 601/4942/1

This qualification is designed to train learners to a professionally competent level, enabling them to prescribe, plan and deliver safe and effective exercise programmes developing their skills and knowledge to pursue a career in personal training and/or progress onto Higher Education. The required knowledge and skills meet the applicable National Occupational Standards relevant to the role, to a standard that can be reasonably expected of an 18 year old in full-time education. The synoptic assessments support the development of independent learning required to be successful in HE.

Students who successfully achieve this qualification will have an advantageous position when applying for:

- Related jobs/employment opportunities
- Higher Education courses
- Apprenticeships
- Further training

Chichester College fully supports The Active IQ Level 3 Diploma in Fitness Instructing and Personal Training (QCF) and we are in agreement for college name and website to be made available on the Department for Education (DfE) and Active IQ website to confirm our support for the qualification.

Yours sincerely,

Micky Riddell

Head of Learning
